River cruising is the **ONLY** way to see the vibrant countryside and beauty of Russia! St. Petersburg is definitely where everyone should add a pre-cruise option to enjoy this romantic city filled with history and cultural beauty. The golden spires warmly beckon to come and see the amazing churches and cathedrals that dot the countryside. By far, Viking Cruises has the most knowledgeable and information guides we have yet to come across and they will astound you during onboard talks and panel discussions ranging from politics to religion and education. Highlights: Dock in Goritzky and be amazed with the swap meet atmosphere of little shops selling all types of furs right along the pier! Escorted by Mia Okinaga, Ray & Sonya Miyashiro, the group enjoyed running around on the Moscow subway and even took in the famed Moscow Circus. The most amazing place was the Peterhof Palace also known as the "Versailles of the Sea" with opulent gilded rooms and decorated paintings and carvings. The big surprise was making musubis and miso soup for lunch for the group while on the ship. Everyone was so envious and it's the signature touch of a Regal escort to provide the aloha from home.

Regal Travel is offering 3 escorted river cruises in 2009. Choose from a trip to Switzerland, France or the mysterious land of Egypt; all offer you the opportunity of a lifetime to enjoy the hidden sights that you can not experience by a regular tour or ocean cruise.
